RECITALS 鉴于

Uzbekistan's "Uzbekistan- 2030" national green economy and electric mobility strategy promotes large- scale deployment of public EV charging infrastructure. Available incentives include preferential loans for charging station operators, discounted land auctions, import duty exemptions for charging equipment and other industry support measures. Foreign investor profit repatriation shall comply with requirements of Central Bank of Uzbekistan and national Anti- Money- Laundering regulatory framework.

乌兹别克斯坦《乌兹别克斯坦- 2030》国家绿色经济与电动出行战略大力推进公共充电基础设施规模化布局；配套产业扶持政策包含充电站运营商优惠贷款、土地拍卖折价、充电设备进口免征关税等激励措施；外资利润汇出须遵循乌兹别克斯坦中央银行、国家反洗钱法律监管框架要求；

Party A holds relevant project operation qualifications, provides project contribution via land, site resources, operational permits, government enterprise relations and grid access coordination within Uzbekistan, Party A shall be responsible for land formalities, industrial park admission procedures and local operation implementation within Uzbekistan.

甲方持有本项目相关运营资质，以土地、场站资源、运营资质、政企关系、电网协调作为项目投入；负责乌兹别克斯坦境内土地手续、产业园区入园审批以及项目本地运营落地；

Party B possesses full industrial chain R&D capability for charging pile core technologies, intellectual property and technical know- how. Party B shall make equity contribution by core technologies, IP and warranty service commitment. All charging pile hardware equipment required for the project shall be exclusively purchased from Party B. Party A and Party B shall jointly bear all operational risks of the Project. All procured charging equipment shall satisfy Uzbekistan national technical requirements, supporting both GB/T and CCS- 2 charging interfaces applicable on site.

乙方具备充电桩核心技术、知识产权、技术诀窍全链条研发能力，乙方以核心技术、知识产权、质保服务承诺作价入股；项目所需全部充电桩硬件设备向乙方独家采购。乙方与甲方共同承担项目经营风险；采购全部充电设备须满足乌兹别克斯坦本国技术规范，兼容 GB/T 与 CCS- 2 双充电接口本地使用要求；

Party C provides cross- border investment and financing coordination, government enterprise resource connection, introduces external project investors. Party C shall not bear any project risks. Platform data processing shall comply with the Uzbekistan Law On Personal Data Protection (as amended 2026).

丙方提供跨境投融资统筹、政企资源对接，并负责引进项目外部投资人，不承担项目风险；平台数据处理必须遵守乌兹别克斯坦《个人数据保护法》（2026 修订版）合规要求；

This Project intends to secure debt financing from overseas pension funds introduced by Party C. Party A shall be solely responsible for satisfying all investment- eligibility thresholds of such overseas pension fund lenders, including without limitation project- level conditions, site- related documentation, regulatory approvals, grid- connection prerequisites, sponsor equity /capital- base requirements and cash- flow- related covenants. Party B shall not be required to make any cash capital contribution for meeting investor qualification criteria.

本项目拟由丙方引荐海外养老基金提供债权融资。甲方单独负责落实并满足该海外养老基金全部投资准入门槛，包括但不限于项目条件、场站文件、政府审批、并网前置条件、项目方资本金要求及现金流约束；乙方不承担为满足投资人准入条件而进行任何现金出资的义务。

The intermediary party (Party D) is the business matchmaker of this Project. The Intermediary Consulting Service Agreement shall be signed within 30 days after establishment of the joint venture company; large- scale construction shall be suspended without signing the aforesaid agreement. Intermediary remuneration payment shall comply with Uzbekistan Anti- Money- Laundering Act regulatory requirements.

居间方（丁方）为本项目商务撮合方，合资公司完成注册 30 日内须签署《居间咨询服务协议》，未签署前暂缓大规模施工；居间报酬支付需符合乌兹别克斯坦反洗钱法监管要求；

Land, factory buildings and other real estates owned by Party A may be appraised and counted towards Party A's total investment, on which the three parties have reached cooperation consensus. Real estate appraisal shall be performed by officially authorized independent valuation institutions of Uzbekistan.

甲方名下土地、厂房不动产可作价计入甲方总投资，三方就此达成合作共识；不动产评估须由乌兹别克斯坦官方授权独立评估机构执行。

ARTICLE 1 COOPERATION CONTENT & CONSTRUCTION SCHEDULE

第一条 合作内容与建设周期

1.1 Cooperation Mode 合作模式

The three parties shall jointly register a special purpose project joint venture company (SPV, MChJ / Limited Liability

Company preferred under Uzbekistan Company Law) within Uzbekistan, which shall be fully responsible for investment, construction and operation of nationwide EV charging infrastructure in Uzbekistan. According to practical negotiation results, SPV may adopt foreign- owned structure or multi- party joint share structure permitted under Uzbekistan Civil Code.

Project cash construction funds shall be provided in the form of debt financing from overseas pension funds introduced by Party C. Party A shall deliver all project- level prerequisites and satisfy the pension fund’ s investment thresholds prior to debt drawdown, including sponsor equity capital requirements which may be satisfied by Party A’ s appraised - in- kind contributions.

Party B shall make equity contribution via core technology, intellectual property and technical know- how together with warranty service commitment. All charging pile hardware equipment required by SPV shall be exclusively purchased from Party B.

三方共同在乌兹别克斯坦注册设立专项项目合资主体（SPV，优先采用乌兹别克斯坦公司法下 MChJ 有限责任公司形式），全权负责乌兹别克斯坦全域充电基础设施投资、建设与运营；依据实际谈判结果，该 SPV 可采用乌兹别克斯坦民法典允许的外资持股模式或多方合资持股模式。

项目建设现金资金由丙方引荐的海外养老基金以债权融资方式提供。在债权资金提款前，甲方应当完成全部项目前置条件、满足养老基金投资门槛；其中项目方资本金要求可由甲方经评估后的实物资源出资予以满足。

乙方以核心技术、知识产权、技术诀窍以及质保服务承诺作价入股；合资 SPV 所需全部充电桩硬件设备向乙方独家采购。

1.2 Project Phasing 项目分期

Phase I (2026- 2027) – Uzbekistan national pilot & initial roll out

一期（2026- 2027 年）—— 乌兹别克斯坦全国试点与初步铺开

Deploy charging infrastructure across 220- 320 selected gas stations and public service sites (prioritizing Tashkent- Samarkand- Bukhara metropolitan agglomerations and inter- regional trunk highways). Total charging points: 900- 1400 units (DC fast- charge $\geq 60\%$).

在 220- 320 个精选加油站及公共服务站点布局充电设施，优先覆盖塔什干- 撒马尔罕- 布哈拉都市圈以及跨区域干线公路；充电桩总规模 900- 1400 台，直流快充占比不低于 60%。

Pilot stations shall be commissioned within Tashkent metropolitan area in Q4- 2026; nationwide scaled roll out will follow in 2027. Exact quantities shall be adjusted according to site acquisition progress, local grid connection capacity, domestic EV penetration and actual availability of national government subsidies & preferential loans.

2026 年第四季度落地塔什干都市圈试点站点；2027 年启动全国规模化拓展。实际装机数量可根据场站获取进度、本地电网接入容量、国内电动车渗透率、政府补贴与优惠贷款实际落地情况动态调整。

Phase II (2028- 2030) – Urban & highway network completion

二期（2028- 2030 年）—— 城市及高速网络完善

Construct 130- 210 new dedicated charging stations covering shopping malls, industrial parks, residential compounds and national highway service areas of Uzbekistan. Adopt mixed configuration of DC fast- charging and AC slow- charging subject to site- specific power supply conditions.

在乌兹别克斯坦商场、产业园区、居民小区、国家级高速服务区新建 130- 210 座独立充电站；依据各站点供电条件搭配直流快充与交流慢充。

Number of stations and charging points may be revised in alignment with official national EV infrastructure forecasts issued by Ministry of Energy of Uzbekistan and actual growth of domestic EV fleet.

充电站、充电桩数量，可结合乌兹别克斯坦能源部官方充电基础设施预测与国内电动车保有量实际增长予以修订。

Long- term Plan (2031- 2035) – Local manufacturing & regional replication

远期（2031- 2035 年）—— 本土制造与区域模式复制

Establish local EV charging pile manufacturing production line, preferentially settled within Uzbekistan national industrial parks to enjoy tax & investment preferential policies.

落地充电桩本土生产线，优先落户乌兹别克斯坦国家级产业园区，享受税收及投资扶持政策；

Deploy energy storage cascade utilization and vehicle- to- grid (V2G) demonstration businesses adapted to local grid

conditions.

开展适配本地电网条件的储能梯次利用、车网互动（V2G）示范业务；

Replicate the project business model to selected Central Asian countries. For cross- border replication, deployment scale shall be scientifically calculated taking into account target country's total population, motor vehicle stock, EV penetration, power grid capacity and national regulatory requirements, rather than mechanically copying Uzbekistan quantity benchmarks.

将本项目商业模式复制到选定中亚国家；跨境复制项目时，建设规模须结合目标国总人口、机动车保有量、电动车渗透率、电网承载能力、本国法规要求科学测算，不得机械照搬乌兹别克斯坦数量指标。

ARTICLE 2 RIGHTS AND OBLIGATIONS OF THE THREE PARTIES

第二条 三方权责

2.1 Rights and Obligations of Party A 甲方权责

Land, station yard resources, local operation qualifications, government liaison and power grid coordination shall be contributed as in-kind project investment, in compliance with relevant provisions of the Civil Code and Company Law of the Republic of Uzbekistan.

以土地、场站资源、本地运营资质、政府对接、电网协调作为实物项目投入，符合乌兹别克斯坦民法典、公司法相关规定；

Communicate with competent authorities of Uzbekistan (Ministry of Energy, Ministry of Investment and Foreign Trade, relevant regional hokimiyats/municipal authorities etc.) to complete approval procedures for project operation qualification, site occupation and power grid access.

对接乌兹别克斯坦各主管部门（能源部、投资与外贸部、地方行政机关等），完成项目运营资质、场地、电网接入审批；

Apply for charging infrastructure related preferential loans, land discount auction qualification, import duty exemptions and relevant policy incentives under Uzbekistan national EV development programs; complete national- level tax registration formalities; establish local operation, marketing and O&M teams and abide by Uzbekistan labor law requirements as applicable.

申报充电基础设施优惠贷款、土地折价拍卖资格、设备进口免税及乌兹别克斯坦国家电动车发展规划项下政策红利；完成国家级税务登记；组建本地运营、市场、运维团队，遵守乌兹别克斯坦劳工法相关合规要求；

Attract customers for charging stations relying on available EV related resources, and coordinate signing of intermediary agreements.

依托现有电动车相关资源为充电站点引流，协同完成居间协议签署；

Jointly bear all operational risks of the Project together with Party B, and enjoy step dividends agreed in this Memorandum.

与乙方共同承担项目全部经营风险，享有本备忘录约定阶梯分红收益。

Party A shall take full responsibility to achieve and maintain the overseas pension fund's investment eligibility criteria, including minimum total project investment of USD 60 million, sponsor equity contribution equivalent to no less than 20% of total project cost, DSCR ≥ 1.2 , secured site agreements for no less than 60% of charging stations, complete land, environmental, grid- connection approvals, and other technical- commercial requirements stipulated in Appendix A. All eligible pre- project expenditures incurred by Party A may be counted towards sponsor equity capital subject to independent third- party valuation.

甲方全权负责达成并持续满足海外养老基金投资准入条件，包括项目总投资不低于 6000 万美元、项目方资本金不低于项目总投资 20%、偿债备付率 $DSCR \geq 1.2$ ，不少于 60% 站点已签署有效场站协议，完整取得土地、环评、并网审批以及附录 A 列明的其他商务技术条件。甲方发生的符合条件前期投入，经独立第三方评估后可计入项目方资本金。

2.2 Rights and Obligations of Party B 乙方权责

Party B shall make equity contribution by core charging pile technologies, intellectual property, technical know- how and long- term after- sales & warranty service commitment, without cash capital contribution. The SPV shall exclusively procure all charging pile hardware equipment from Party B.

乙方以充电桩核心技术、知识产权、技术诀窍及长期售后质保服务承诺入股，无需现金出资；合资公司 SPV 全部

充电桩硬件设备向乙方独家采购。

All procured charging equipment shall comply with Uzbekistan national technical standards and support both GB/T and CCS- 2 interfaces. Party B shall provide five- year full- machine warranty and long- term spare parts supply for the equipment supplied under exclusive procurement.

采购全部充电设备须符合乌兹别克斯坦本国技术标准，兼容 GB/T、CCS- 2 双接口；乙方针对独家采购项下供应设备提供五年整机质保与长期备件供给。

Party B shall complete factory inspection, export customs declaration and on- site installation technical guidance for the equipment sold to SPV. For long- term local production line establishment plan, Party B shall provide full set local manufacturing technical documents complying with Uzbekistan industrial safety specifications.

乙方完成销售给 SPV 设备的出厂检测、出口报关、现场安装技术指导；远期建设本土生产线时，向 SPV 输出符合乌兹别克斯坦工业安全规范的全套本土化生产技术文件。

The equipment procurement price between SPV and Party B shall follow market- oriented fair and reasonable pricing principle, to be further specified in the Exclusive Equipment Procurement Agreement. Party B shall independently bear all losses caused by equipment quality defects, non- compliance with local standards, production shortage and delayed delivery under such procurement arrangement.

SPV 与乙方设备采购价格遵循市场化公允合理定价原则，具体条款在《设备独家采购协议》另行约定；采购项下因设备质量缺陷、不符合当地标准、产能不足、交付逾期造成的一切损失，均由乙方独立承担。

Party B shall sign Special Agreement on Equity Contribution via Charging- pile Technologies and Services. Party B shall coordinate implementation of intermediary cooperation, jointly bear all operational risks of the Project together with Party A, and share project profits in accordance with agreed step ratios.

乙方签署《充电桩技术及服务入股专项协议》；协同落地居间合作，与甲方共同承担项目全部经营风险，按约定阶梯比例参与利润分配。

Party B bears no obligation to contribute cash for the purpose of meeting lender- eligibility or sponsor- equity requirements of the overseas pension fund.

乙方无义务为满足海外养老基金的投资人准入或项目资本金要求提供任何现金出资。

2.3 Rights and Obligations of Party C 丙方权责

Coordinate all business negotiations, and draft the full set of legal documents for the joint venture and the intermediary (brokerage) arrangements.

统筹全部商务谈判，起草合资、居间全套法律文件；

Formulate investment financing schemes, introduce target overseas pension fund investors for the Project. Party C makes investor referrals only; the substantive obligation to satisfy the fund’ s project- eligibility conditions rests solely with Party A, assist to realize cross- border capital remittance and profit repatriation under Central Bank of Uzbekistan & Uzbekistan Anti- Money- Laundering Act rules, open full- process channels for equipment import- export.

搭建投融资方案，为本项目引荐目标海外养老基金投资人；丙方仅负责引荐投资人，满足基金项目准入条件的实质性义务完全由甲方承担，协助按照乌兹别克斯坦中央银行、反洗钱法规完成跨境资金汇入、利润汇回，打通设备进出口全流程渠道；

Cooperate with the intermediary party to finalize two sets of cooperation plans, and promote the joint venture company to issue an irrevocable commitment for intermediary remuneration complying with local anti- money- laundering requirements.

对接居间方敲定两套合作方案，推动合资公司出具符合当地反洗钱要求的居间报酬不可撤销承诺；

Party C bears no capital contribution obligation and shall not bear project operating losses or debt repayment liabilities.

Subject to Party C’ s successful introduction of investors and full receipt of investment funds, Party C shall be granted 5% registered equity of SPV free of charge, plus an additional unregistered 5% net after- tax profit sharing right, entitling Party C to aggregate 10% of project net after- tax profit. If financing is not completed, such additional benefits shall not come into force and Party C shall only enjoy the original 5% net after- tax profit dividend under this MOU.

Party C shall have the right to inspect project financial documents and obtain information on material shareholder matters, without voting power over day- to- day operations.

丙方不承担项目资本金出资义务，不承担项目经营亏损、债务清偿责任。在丙方成功引进投资人且投资款足额到位前提下，丙方取得 SPV5% 无偿授予的注册股权，同时享有额外 5% 税后净利润非登记收益权，两项权益合计享有项目税后净收益 10%；融资未落地，该等新增权益不生效，丙方仅享有原备忘录约定 5% 税后净利润分红。丙方拥有项目财务资料查阅权以及股东重大事项知情权，无日常经营表决权。

ARTICLE 3 CORE AGREEMENTS ON JOINT- VENTURE COMPANY

第三条 合资公司核心约定

3.1 Establishment Requirements 设立要求

After the three parties sign the formal Joint Venture Agreement, a special project SPV shall be registered in Uzbekistan; the intermediary service agreement shall be signed within 30 days upon company registration, otherwise large- scale station construction shall be suspended.

三方签署正式合资协议后，于乌兹别克斯坦注册项目 SPV；公司注册完成 30 日内须签订居间服务协议，否则暂缓规模化建站。

3.2 Rules of Contribution, Risk Bearing & Dividend Distribution

出资、风险、分红规则

Contribution Classification: Party A makes in-kind contribution by resources; Party B contributes core charging pile technologies, IP, technical know-how and warranty service commitment as equity; SPV exclusively purchases charging pile hardware equipment from Party B under separate commercial procurement contract. Party C obtains equity and dividend rights via cross-border coordination and investor introduction services.

出资划分：甲方以资源实物出资；乙方以充电桩核心技术、知识产权、技术诀窍、质保服务承诺入股；SPV 充电桩硬件设备，通过单独商业采购合同向乙方独家采购。丙方通过跨境统筹及投资人引进服务获取股权及分红权益。

Risk Bearing: Operational losses, liabilities, administrative fines, liquidation losses, exchange gains and losses and other operational risks arising from the Project shall be jointly borne by Party A and Party B; Party C shall not bear any losses or debt repayment liabilities. The loss sharing ratio between Party A and Party B shall be separately agreed in the formal Joint Venture Agreement.

风险承担：项目经营产生的亏损、负债、行政罚款、清算损失、汇兑损益等经营风险由甲、乙双方共同承担；丙方不承担任何亏损及债务清偿责任，甲乙双方亏损分摊比例在正式合资协议另行约定。

Step Dividend Distribution 阶梯分红

Pre-condition: Party C's 5% registered equity and additional 5% net after-tax profit-sharing right shall take effect only upon full injection of investor funds introduced by Party C into the SPV. If financing cannot be closed, Party C shall only keep the original 5% net after-tax profit dividend right under this MOU.

前置条件：丙方 5% 注册股权及额外 5% 税后净利润收益权，仅在丙方引进的项目投资资金足额注入 SPV 后方可生效；融资未落地，丙方仅保留原协议 5% 税后净利润分红权益。

Stage 1 (Before Party A recovers all original investment principal): Party A 62.5%, Party B 27.5%, Party C total 10%

阶段一（甲方未收回全部原始投资本金）：甲方 62.5%、乙方 27.5%、丙方合计 10%

Stage 2 (After Party A fully recovers original investment principal): Party A 42.5%, Party B 47.5%, Party C total 10%

阶段二（甲方全额收回原始投资本金）：甲方 42.5%、乙方 47.5%、丙方合计 10%

The payback node of Party A's investment shall be subject to the accounting report issued by the audit institution jointly entrusted by the three parties. The dividend ratio shall be permanently fixed after payback. Of Party C's total 10% benefits, 5% derives from registered SPV equity and the other 5% is an unregistered profit-sharing right; both rights shall remain valid throughout the project duration.

甲方投资回本节点以三方共同委托审计机构出具核算报告为准，回本后分红比例永久固定。丙方合计 10% 收益中，5% 为 SPV 注册股权对应收益，另外 5% 为非工商登记收益权，两项权益在项目存续期长期有效。

3.3 Benefit Comparison Table of Three Parties

三方权益对照表

Signatory Party 签署方	Contribution Method 出资方式	Risk Bearing Scope 风险承担范围	Dividend Before Principal Payback 本金收回前分红	Dividend After Principal Payback 本金收回后分红
---------------------	--------------------------	---------------------------	---	--

Party A 甲方	Resource in-kind contribution (land, qualification, local market resources) 资源实物出资（土地、资质、本地市场资源）	Party A and Party B jointly bear all project operational risks 甲乙双方共同承担项目全部经营风险	62.5%	42.5%
Party B 乙方	Equity contribution by core charging pile technologies, IP & warranty service commitment; SPV procures hardware equipment from Party B under commercial contract, no cash injection 以充电桩核心技术、知识产权、质保服务承诺入股；硬件设备由 SPV 依据商业合同向乙方采购，无现金投入	Party A and Party B jointly bear all project operational risks 甲乙双方共同承担项目全部经营风险	27.5%	47.5%
Party C 丙方	Equity contribution by business coordination & introducing investors 商务统筹及引进投资人服务入股	Shall not bear any operational or debt risks 不承担任何经营、债务风险	Total fixed 10% (Effective upon full financing: 5% registered equity +5% unregistered profit sharing; only 5% if financing fails) 合计固定 10%（融资足额到位生效：5% 工商股权 + 5% 非登记收益权；融资失败仅 5%）	Total fixed 10% (Effective upon full financing: 5% registered equity +5% unregistered profit sharing; only 5% if financing fails) 合计固定 10%（融资足额到位生效：5% 工商股权 + 5% 非登记收益权；融资失败仅 5%）

3.4 Capital Contribution Standard 资金投入标准

Project cash construction and operation funds shall be sourced from debt financing provided by overseas pension funds introduced by Party C. The sponsor equity portion (minimum 10% of total project investment) shall be fulfilled by Party A's appraised in-kind resources contribution. Party B shall have no cash-capital-contribution obligation. Availability of pension-fund debt disbursement is conditional upon Party A's full satisfaction of all investment thresholds set forth in Appendix A.

项目建设及运营现金资金来源于丙方引荐的海外养老基金债权融资。项目方资本金部分（不低于总投资 10%）由甲方经评估的实物资源出资完成。乙方不承担任何现金出资义务。养老基金债权放款的前提条件为甲方完整满足附录 A 列明全部投资门槛。

3.5 Disposal Plan of Party A's Real Estates 甲方不动产处置方案

Equity Contribution via Evaluation: The three parties shall jointly engage Uzbekistan officially authorized independent valuation institutions to assess the land and factory buildings owned by Party A. The total assessed value shall be fully

recorded into Party A's investment account as the basis for principal payback calculation.

作价入股：三方共同选聘乌兹别克斯坦官方授权独立评估机构对甲方土地、厂房资产评估，评估总额全额计入甲方投资台账，作为回本核算依据；

Alternative Leasing Scheme: If no consensus is reached on the equity contribution scheme, the joint venture company shall lease the sites from Party A, and the rental cost shall be included into project operational costs.

备选租赁：若作价方案无法达成一致，合资公司租赁甲方场地，租赁成本纳入项目运营成本。

3.6 Intermediary Remuneration Mechanism 居间报酬机制

The joint venture company shall issue an irrevocable commitment letter for intermediary remuneration, and either of the two schemes below shall be implemented:

合资公司出具居间报酬不可撤销承诺函，二选一执行：

Scheme 1 (Income Right Reward): Transfer 5% dividend income right to Party D; if Party D fails to fully perform its obligations, the joint venture company has the right to repurchase such income right.

方案一（收益权奖励）：向丁方转让 5% 分红收益权，丁方未完整履约的，合资公司有权回购该收益权；

Scheme 2 (One-off Commission): Full payment of commission within 30 days upon completion acceptance of Phase I charging stations.

方案二（一次性佣金）：一期充电站竣工验收后 30 日内一次性全额支付佣金。

All costs related to intermediary services shall be included into project operational costs.

居间相关成本计入项目运营成本。

3.7 Distinction of Loss Liabilities 损失责任区分

All losses arising from Party B's breach of contract on equipment quality, delivery and warranty shall be fully borne by Party B alone, and shall not be counted into joint operational losses borne by Party A and Party B.

因乙方设备质量、交付、质保违约产生的损失，由乙方自行全额承担，不计入甲乙双方共同承担的项目经营亏损。

3.8 Supplementary Agreements on Finance & Government Expropriation 配套财务、征收约定

Audit: Annual financial statements and special audit for Party A's principal payback shall be issued by Uzbekistan certified public audit institutions. The audit institution shall be jointly selected by the three parties with a single cooperation term not exceeding four years.

审计：年度财报、甲方回本专项审计由乌兹别克斯坦注册执业审计机构出具，审计机构三方共同选定，单次合作期限不超过四年；

Exchange Gains & Losses: All exchange gains and losses of the Project shall be recorded into operational costs.

汇兑：项目汇兑盈亏计入运营成本；

Government Expropriation: All compensation funds from government expropriation shall be firstly used to cover the investment of Party A and Party B. Any loss of compensation gap and excess income shall be enjoyed and borne by Party A and Party B jointly. The Project can purchase political risk insurance with insurance premiums included into operational costs.

政府征收：征收补偿资金优先覆盖甲乙双方投入，补偿缺口损失、超额收益均由甲、乙双方享有及承担；项目可投保政治风险保险，保费计入运营成本。

ARTICLE 4 INTELLECTUAL PROPERTY & DATA ADMINISTRATION

第四条 知识产权与数据管理

All charging and user data of the Project belongs to the joint venture company. All data processing activities shall comply with Uzbekistan Law On Personal Data Protection.

项目全部充电及用户数据所有权归属合资公司，全部数据处理活动须遵守乌兹别克斯坦《个人数据保护法》。

Software and hardware intellectual property rights of charging piles developed by Party B belong to Party B, and the joint venture company holds permanent right of use.

乙方充电桩软硬件知识产权归乙方，合资公司永久享有使用权。

ARTICLE 5 KEY PROJECT MILESTONES

第五条 项目关键节点

Signing of all complete cooperation agreements: Q3, 2026

全套合作协议签署：2026 年第三季度

Operation of pilot stations in Tashkent metropolitan area: Q4, 2026

塔什干都市圈试点站点投入运营：2026 年第四季度

Full- scale construction of Phase I project: Whole year of 2027

一期工程全面开工建设：2027 全年

Formal operation of entire Phase I project: Q1, 2028

一期项目整体投产运营：2028 年一季度

Expansion and construction of Phase II charging stations: 2028- 2030

二期充电站拓展建设：2028- 2030 年

Article 6 Three- party Coordination Mechanism

第六条 三方协调机制

A three- party joint coordination committee shall be established to hold special meetings every quarter to review project progress, capital investment, principal payback ledger of Party A and annual profit accounting. All three parties may check non- confidential financial and operational documents.

设立三方联合协调委员会，每季度召开专项会议，复盘项目进度、资金投放、甲方回本台账、年度利润核算，三方均可查阅非涉密财务、经营资料。

ARTICLE 7 TERM, EXIT & TERMINATION OF THIS MEMORANDUM

第七条 协议有效期、退出与终止

7.1 Term of Validity 有效期

This Memorandum shall take effect upon signature and seal by all three parties with a validity term of three years, which can be extended by written supplementary agreement.

本备忘录经三方签字盖章生效，有效期三年，可通过书面补充协议续期。

7.2 Exit Rules for Equity Interests 权益退出规则

Exit of Party C: Party C shall issue written notice six months in advance. Its equity and profit- sharing income right can be transferred to third parties or repurchased by Party A and Party B. Party C shall not bear any past or future losses or debts of the Project.

丙方退出：提前六个月出具书面通知，股权及分红收益权对外转让或由甲乙双方回购，丙方无需承担项目过往、未来任何亏损及债务；

Transfer of Party B' s cooperation interests: Party A holds preemptive purchase right under equal conditions. Any transfer must obtain approval from Uzbekistan foreign investment review procedures, and the transferee shall undertake all operational risk obligations of Party B.

乙方转让合作权益：甲方享有同等条件优先受让权，转让须完成乌兹别克斯坦外资审查流程审批，受让方承接乙方全部经营风险承担义务；

Transfer of Party A' s investment interests: Party B holds preemptive purchase right under equal conditions, and the transferee shall undertake full contribution obligations and corresponding operational risks.

甲方转让投资权益：乙方享有同等条件优先受让权，受让方承接全额出资义务与经营风险。

7.3 Termination Circumstances 终止情形

All three parties unanimously agree to terminate this Memorandum in writing; any party delivers written termination notice 60 days in advance; any party commits material breach and fails to rectify within 30 days after receiving

rectification notice, the aggrieved party has the right to unilaterally terminate this Memorandum.

三方书面一致同意终止；任意一方提前 60 日送达书面终止通知；一方构成重大违约，收到整改通知 30 日内未整改完成，守约方可单方终止本备忘录。

ARTICLE 8 LIABILITY FOR BREACH OF CONTRACT

第八条 违约责任

Any of the following acts shall be deemed material breach: Party A fails to fulfil its resource input obligations without just cause and delays key project milestones for more than 60 days; Party B has severe breaches on equipment delivery, product quality and warranty services; any party discloses confidential business information of the Project.

出现下列情形视为重大违约：甲方无正当理由未完成资源投入义务、延误项目关键节点超 60 日；乙方设备交付、产品质量、质保服务严重违约；任意一方泄露项目商业机密。

The breaching party shall independently compensate all direct economic losses of the other two parties, and such losses shall not be included into joint operational losses of the Project.

违约方单独赔付其余两方全部直接经济损失，该类损失不纳入项目共同经营亏损范畴。

ARTICLE 9 CONFIDENTIALITY CLAUSE

第九条 保密条款

All three parties shall bear permanent confidentiality obligations for technical documents, financial data, dividend schemes and project investment information under cooperation. Confidentiality obligations shall remain effective for five years after the termination of this Memorandum, excluding circumstances of statutory mandatory disclosure, publicly- available information or legal acquisition by third parties.

三方对合作技术资料、财务数据、分红方案、项目投资信息承担永久保密义务；备忘录终止后五年内保密义务持续有效，法定强制披露、信息已公开、第三方合法获取信息情形除外。

ARTICLE 10 DISPUTE RESOLUTION

第十条 争议解决

The conclusion, performance and interpretation of this Memorandum shall be governed by the current laws of Republic of Uzbekistan.

本备忘录订立、履行、解释全部适用乌兹别克斯坦共和国现行法律；

Any disputes among the three parties shall be settled amicably by the joint coordination committee within 45 days first; if consultation fails, disputes shall be submitted to Singapore International Arbitration Centre (SIAC) for arbitration with three arbitrators. Arbitration seat is Singapore and arbitration language is English. The arbitral award is final and fully binding on all three parties.

三方纠纷先由联合协调委员会 45 日内友好协商；协商无法达成一致，提交新加坡国际仲裁中心（SIAC）仲裁，仲裁庭设三名仲裁员，仲裁地新加坡，仲裁语言为英文，仲裁裁决为终局裁决，对三方具备完整法律约束力。

ARTICLE 11 GENERAL BASIC CLAUSES

第十一条 通用基础条款

11.1 Independent Validity: Confidentiality clause, dispute resolution clause and general clauses shall take effect independently. This document is merely a letter of intent for cooperation; detailed loss- sharing rules and complete performance constraints shall be subject to the subsequent formal Joint Venture Agreement signed by the three parties. 独立效力：保密、争议解决、通用条款独立生效；本文件仅为合作意向备忘录，亏损分摊细则、完整履约约束以三方后续正式《合资经营协议》为准。

11.2 Amendment & Transfer: Any supplement, modification or transfer of rights under this Memorandum must be confirmed with written seals of all three parties.

修改与转让：本备忘录任何补充、变更、权利转让均需三方书面盖章确认。

11.3 Document Validity: Four copies of Chinese and English versions are made with each party holding one copy. If any conflict exists between Chinese and English interpretation, the English version shall prevail. Multiple original documents have equal legal effect; formal written notice shall take effect on the day of email delivery.

文本效力：中英文版本一式四份，三方各留存一份；中英文释义存在冲突时，以英文版本为准；多份原件具备

11.4 Severability of Clauses: If any single clause is deemed invalid or unenforceable, it shall not affect the full validity of the remaining clauses.

11.5 Supplementary Principles for Financing- related Matters (to be further specified in formal Joint Venture Agreement)

(1) If Party A fails to satisfy all pension- fund investment thresholds within mutually- agreed timeline and causes debt financing unable to be closed, any party shall have the right to terminate this MOU. Party A shall compensate direct actual losses incurred to Party B and Party C caused by Party A ' s fault, and detailed compensation scope shall be stipulated in the formal Joint Venture Agreement.

(2) In case the appraised value of Party A's in-kind contribution by Uzbekistan authorized independent valuation institution fails to meet the minimum 10% sponsor equity requirement, the Parties shall negotiate and select one of the following solutions: (i) Party A supplements additional qualified in-kind assets; (ii) adjust the maximum debt proportion provided by the pension fund; (iii) switch to site-leasing model whereby SPV leases sites from Party A.

(3) For the $\text{DSCR} \geq 1.2$ requirement set forth in Appendix A, DSCR shall be defined as: Annual net cash flow available for debt service of the project divided by total scheduled principal and interest payment for the corresponding year.

针对附录 A 约定 $DSCR \geq 1.2$ 指标, $DSCR$ 定义为: 项目年度可用于偿债的净现金流 $\div$ 对应年度应付本息总额; 详细计算参数于正式合资协议中最终确定。

茲证明，各方已于文首载明日期签署本协议。
